## SPONSORSHIP

The Coordinated Community Response Team on Domestic Violence in partnership with the Watertown Police Department are hosting the tenth annual Run From the Cops Run/Walk on Saturday September 29, 2018. The event is a fun family event which includes a 10K run, 5K run, a walk, and a youth 1K run. October is domestic violence awareness month and this event raises awareness about domestic violence in our community. Proceeds from the run will support victim services at People Against Domestic and Sexual Abuse (PADA) in Jefferson.

You can be in on the action by sponsoring the Run from the Cops event at a variety of levels! With each level comes great recognition benefits and shows your organization's commitment to curtailing violence in our community. Plus, you don't have to worry about the details!!
